A Little Travelin'

It's been a while since we had a chance to send out a newsletter... 5 months to be exact... we hope you like the new subtle name:

Cave Scratchings (troglodytes live in caves, I like caving, therefore... Cave Scratchings).

Anyway, we were able to do a little bit of travel and adventure this spring and would like to share a few of the photos from these crazy adventures... some caribbean ocean SWIMming, some slot-canyon and cave passage SQUEEZing, and some good gritty mountain biking!

You can see some of them on our
[Newest 40](#) page of the [Portfolio](#) section of our website

and more on **Facebook** at
<http://www.facebook.com/pages/Troglodyte-Photography-Inc/129591277069605>

Open Photo @ The Jube

I have two pieces, and will be in attendance on the opening night of the upcoming VAAA Gallery's 2011 Alberta-wide Open Photography Exhibition!

August 25 to October 02, 2011
in the Kaasa Gallery at the
Northern Alberta Jubilee Auditorium
11455 – 87 Avenue, Edmonton.

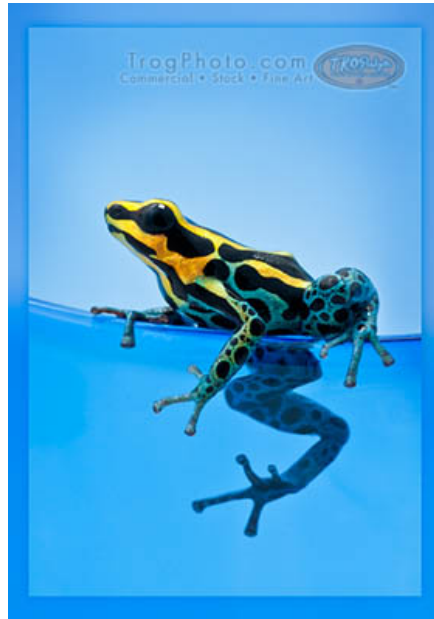

Best in Canada - an Interview

More about one of the images in the upcoming Open Photo Exhibition: an interview on the Professional Photographers of Canada blog

Hint: I took home a "best in Canada" trophy...
I also officially received my CPA (Craftsman of Photographic Arts) designation and medallions at this National Convention.

SCORE!
