E-news - February 2011

For your convenience, a PDF document of this newsletter can be found at http://www.trophoto.com/assets/lower_links/newsletter.htm - formatted the way I intended it.

In this edition:

- Facebook & Photo Trophy
- Website Updates
- February Photo of the Month

Facebook & Photo Trophy

Well, I passed on the Alberta Commercial Photographer of the Year trophy to Kristian Bogner of Canmore earlier this month,
but I still managed to come home with a trophy nonetheless. :)

My image of a tree silhouette in a field of stars, entitled "Heaven and Earth" won the Best of Class trophy in the Pictorial class of this years PPOC-Alberta Print Salon - part of the annual Exposure Photography Symposium (see Website Updates below).

An earlier version of this image was featured as Photo of the Month in November, but can also be viewed on the [Newest 40](#) page of the [Portfolio](#) section of our website - in it's Image Salon form.

You can also see it, the other images we've submitted to the Image Salon, and much more on our Facebook page at <http://www.facebook.com/pages/Troglodyte-Photography-Inc/129591277069605>

See images from the whole show at <http://www.ppoc-alberta.ca/2011-alberta-image-salon/>

Website Updates

After almost 3 months of re-prioritizing, we've finally updated the website with [Newest 40](#) images, [Photos of the Month](#), some new [Affordable Art](#) (the art card and small-prints collection), and a few other odds and ends. Check it out!

February Photo of the Month

The Photo of the Month for November has been updated with an image, and the story behind it.
