#### Commercial Photographer of the Year

Last weekend, at the annual Exposure Photography Symposium and Professional Photographers of Canada provincial convention my 4-image competition submission was judge with 3 'Excellence' and a 'Merit', along with two 'Best of Class' awards!

This helped get me named 2010 **Commercial Photographer of the Year** for Alberta & Saskatchewan - the Stanley Cup of Photography for Alberta!

I am truly honored and owe much of the credit to my mentors and peers for their help in choosing and critiquing my image submission. See trophy below. : )
